

START-UP AND ON-GOING SUPPORT

If you decide to start your operations in Mexico, with a wholly owned subsidiary, OPI, can assist in forming the New Mexican Subsidiary and guide you through all the different stages that will be required. Our participation in your start up and on going operations, can be tailored made to your specific needs and may include:

-

Incorporation of your new Mexican Subsidiary

-

Securing of all permits and licenses

-

Site selection

-

Human resource management

-

Import/Export daily tasks

-

Customs and traffic logistics

-

Accounting and taxes

-

Enviromental issues

-

Public and government relations

-

Material and supply sourcing

-

Legal representation
